

The 29th International Conference on Automation and Computing (ICAC2024)

28 Aug – 30 Aug 2024, Sunderland, UK

General Chair

Prof. Yongqiang Cheng
University of Sunderland, UK

General Co-chair

Prof. Jiadong Ren,
Yanshan University, China

Program Chair

Prof. Cunjia Liu
Loughborough, UK

Program Co-Chair

Dr Xuewu Dai
Northumbria University, UK
Dr Erfu Yang
University of Strathclyde, UK
Prof Zheng Wang
University of Leeds

Awards Chair

Prof. Yuchun Xu
Aston University, UK

Workshop Chair

Dr Jingjing Jiang
Loughborough University, UK
Dr Chunwei Xia
University of Leeds

Publicity Chair

Prof. Hui Yu
University of Portsmouth, UK

Finance Chair

Dr Hong Yue
University of Strathclyde, UK

Publication Chair

Dr Jing Wang
Sheffield Hallam University, UK

Local Committee

Prof John Murray,
Dr Ibrahim Alqatawneh,
Dr Umar Manzoor,
Dr Becky Allen,
Dr Sam Danso,
Dr Ashley Williamson,
Dr Basel Barakat
University of Sunderland, UK
Dr Qingde Li, Yingxiu Chang
University of Hull, UK

Organiser

The Chinese Automation and
Computing Society in the UK

Technical sponsor

IEEE Robotics and Automation
Society

Call for Papers

Conference Theme:

Smart Systems and Digital Healthcare

AIMS: The aims of the conference are to provide a forum for scientists, engineers, scholars and students to exchange ideas and update technical knowledge, as well as to provide a platform where joint research programmes can be formulated for mutual benefit. The conference welcomes participation and contributions from those involved in both theoretical and practical research on all aspects of automation, control, manufacturing and computer science.

SCOPE: The scope of the conference covers a broad spectrum of multidisciplinary areas in automation, smart manufacturing, robotics, control, computing and information systems, ranging from fundamental research to real-world practical applications. The conference welcomes the submission of papers in the nature of original research and technical reviews from but not limited to areas of:

Additive Manufacturing	Information and Network Security	Non-destructive Testing and Condition Monitoring
Artificial Intelligence	Information Technology and Systems	Optimisation and Decision Making
Autonomous Systems	Intelligent System and Automation	Production Planning and Scheduling
Big Data and Data mining	Internet of Things	Prognostics and Diagnostics
Cloud Computing	Machine Learning	Robotics
Control Theory and Application	Machine Vision and Image Processing	Smart Sensing Technology
Cyber Physical Systems	Metrology and Inspection technology	System Diagnosis and Identification
Digital Manufacturing and Enterprise Technologies	Neural Networks, Fuzzy Logic, and Genetic Algorithms	System Control, Modelling and Simulation
Digital Twins		Virtual and Augmented Reality
Flexible and Computer Integrated Manufacturing		Wireless Sensor Networks
Human-Machine Collaborations		

SUBMISSIONS:

The submitted papers should be no more than 6 pages (A4 paper) with IEEE conference paper format. The conference details and the paper template for ICAC2024 are available on the conference website. The first page of each paper should include the title of the paper, an abstract with no more than 200 words, up to 5 key words, authors' name(s), complete postal addresses, and email address for correspondence. Electronic form of submission, in Word or PDF, is acceptable and preferred. Accepted papers will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements. The Proceedings of International Conference on Automation and Computing have been published on IEEE Xplore since 2011.

Authors of selected papers will be invited to submit extended article versions to a special issue of [Systems Science & Control Engineering](#) and a special issue of [Sensors](#).

The papers should be submitted online at <https://cmt3.research.microsoft.com/ICAC2024>.

For detailed up-to-date information, please visit the conference website <http://www.cacsuk.co.uk/icac>.

SPECIAL SESSIONS:

The conference welcomes the proposals of special sessions. Please follow the link for details of [proposing special sessions](#).

BEST STUDENT PAPERS:

Papers with the first author being a PhD student are eligible for the Best Student Paper Award. The authors shall clearly indicate whether their papers are qualified for this award during submission. The best papers will be assessed by a panel based on academic significance and presentation performance, and award certificates will be presented to the authors in the conference

IMPORTANT DATES:

Paper submission deadline	-----	31 Mar 2024
Notification of acceptance	-----	31 May 2024
Camera-ready copy due	-----	30 June 2024
