

The 27th IEEE International Conference on Automation and Computing (ICAC2022)

1 - 3 September 2022

University of the West of England, Bristol, UK

Call for Papers

Conference Theme:

Smart Systems and Manufacturing

AIMS: The aims of the conference are to provide a forum for scientists, engineers, scholars and students to exchange ideas and update technical knowledge, as well as to provide a platform where joint research programmes can be formulated for mutual benefit. The conference welcomes participation and contributions from those involved in both theoretical and practical research on all aspects of automation, control, manufacturing and computer science.

SCOPE: The scope of the conference covers a broad spectrum of multidisciplinary areas in automation, smart manufacturing, robotics, control, computing and information systems, ranging from fundamental research to real-world practical applications. The conference welcomes the submission of papers in the nature of original research and technical reviews from but not limited to the following areas:

Additive Manufacturing	Information and Network Security	Non-destructive Testing and Condition Monitoring
Artificial Intelligence	Information Technology and Systems	Optimisation and Decision Making
Autonomous Systems	Intelligent System and Automation	Production Planning and Scheduling
Big Data and Data mining	Internet of Things	Prognostics and Diagnostics
Cloud Computing	Machine Learning	Robotics
Control Theory and Application	Machine Vision and Image Processing	Smart Sensing Technology
Cyber Physical Systems	Metrology and Inspection technology	System Diagnosis and Identification
Digital Manufacturing and Enterprise Technologies	Neural Networks, Fuzzy Logic, and Genetic Algorithms	System Control, Modelling and Simulation
Digital Twins		Virtual and Augmented Reality
Flexible and Computer Integrated Manufacturing		Wireless Sensor Networks
Human-Machine Collaborations		

SUBMISSIONS: The submitted papers should be no more than 6 pages (A4 paper) with IEEE conference paper format. The conference details and the paper template for ICAC2022 are available on the conference web site. The first page of each paper should include the title of the paper, an abstract with no more than 200 words, up to 5 key words, authors' name(s), complete postal addresses, and email address for correspondence. Electronic form of submission, in Word or PDF, is acceptable and preferred. Accepted papers will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements. Authors of selected papers will be invited to submit extended article versions to special issues of Systems Science & Control Engineering (<https://www.tandfonline.com/loi/tscc20>). The ICAC2021 Proceeding has been published in IEEE Xplore (<https://ieeexplore.ieee.org/xpl/conhome/9594055/proceeding>) since Nov. 2021.

The papers should be submitted online via the following submission system:

<https://cmt3.research.microsoft.com/ICAC2022>

For detailed up-to-date information, please visit the ICAC2022 conference website:

<http://www.cacsuk.co.uk/index.php/icac2022>

BEST STUDENT PAPERS: Papers with the first author being PhD students are eligible for Best Student Paper Awards. The authors shall clearly indicate whether their papers are qualified for the awards in submission. The best papers will be assessed by a panel based on academic significance and presentation performance, and awards certificates will be presented to the authors in the conference closing ceremony.

IMPORTANT DATES

Paper submission deadline	15 April 2022 (extended to 15 May 2022)
Notification of acceptance	15 May 2022 (extended to 31 May 2022)
Camera-ready copy due	31 May 2022 (extended to 15 June 2022)

General Chair

Prof Chenguang Yang
University of the West of England,
UK

General Co-chair

Qingmin Li
Chuangze Intelligent Robot Group
Co., Ltd.

Program Chair

Prof Yuchun Xu
Aston University, UK

Awards Chair

Prof Hui Yu
University of Portsmouth

Workshop Chair

Dr Jingjing Jiang
Loughborough University, UK

Publicity Chair

Prof Hui Yu
University of Portsmouth, UK

Finance Chair

Dr Hong Yue
University of Strathclyde, UK

Publication Chair

Dr Jing Wang
Sheffield Hallam University, UK
Prof Wenyan Wu
Birmingham City University, UK

Local Committee

Dr Ning Wang, Dr Zhenyu Lu
University of the West of
England, UK
Dr Chao Liu, Dr Muftooh Siddiqi,
Dr Ming Zhang, Dr Nasser Amaitik
Aston University, UK

Organiser

The Chinese Automation and
Computing Society in the UK

Sponsors

IEEE Robotics and Automation
Society TC on Collaborative
Automation on Flexible
Manufacturing

IEEE System, Man and Cybernetic
Society TC on Intelligent Systems
to Human-aware Sustainability
University of the West of England

Systems, Man, and Cybernetics Society

University
of the
West of
England
